

The Right to Life: The First Among Human Rights

The Right to LIFE:

The Right to Life

"The right to life is the first among human rights.
To abort a child is to kill someone who cannot
defend himself."

- Pope Francis

All innocent human
beings have a God-given
right to life from the
time of fertilization
until natural death.

From the moment of conception...

...you were planned,

"And God created man in His own image, in the image of God He created him; male and female He created them."

Genesis 1:27

"For you created my inmost being; you knit me together in my mother's womb...My frame was not hidden from you when I was made in the secret place. When I was woven together in the depths of the earth, your eyes saw my unformed body."

Psalms 139: 13-16
